

Welcome to DANCE4HIM ON-THE-GO!

With hectic schedules, parents cannot always get their child to the activities they would like them to participate in. This program was designed to correct that problem and bring dance to students in their school or daycare. Dance4Him has been in business since 2002, and we have been bringing quality dance instruction "On the Go" since 2015. You can be assured that your child will be instructed by a qualified, loving, experienced teacher, who will be teaching proper dance technique, including ballet, jazz, rhythm, movement, and choreography set to positive music. Dance classes offer children opportunities to improve coordination, balance, strength, control, and confidence, while still having fun!

*These classes are designed for both Boys and Girls.

*No special uniform required. Just clothes they can move in, and shorts worn under dresses.

*No special shoes required. Please send your dancer with a pair of COTTON SOCKS to dance in.
